

Foundation Sponsorship Levels

SOS4Life was created in 2018 and is a 501 c3. The organization's purpose is to work directly with at risk youth - by providing the resources needed to help save lives. Our cause's mantra - "Stand Up, Own Up, Speak Up" - is more about actions than words. Whether it's our Save A Life Fund, Nationwide school tour, live drive in concerts, virtual concerts, or the Save A Life Awards at the Avalon in Hollywood, your contribution can make a difference. Your support will also enable life coaches and therapists to show at risk youth that they too can overcome what life has thrown them and they too can overcome adversity. We will have a division that can also cater to adults and parents in need.

We look forward to your support in our cause and secure your spot as a valued sponsor of our foundation's goals and events.
